

Event Rental Application

ST. GEORGE COMMUNITY CHURCH

St. George Community Church was established in 2019 as a gathering place for the community and to provide for the underserved. The guiding principle of the Church is to foster community & religious development through workshops, fundraisers, faith-based services, neighborhood meetings, and community forums.

St. George Community Church provides a variety of weekly services, including health and wellness centered events, such as dance classes, martial arts, self-defense training and mindfulness meditation. Additionally, Pastor Jerry Menchaca conducts religious services every Sunday.

The Church is available as a rental venue that offers multi-purpose rooms perfect for wedding receptions, birthday parties, corporate events, and professional trainings. It includes the amenities of a place for food preparation and convenient free parking.

Sponsorship Requests

We understand that space for building community resilience is scarce in this city.

We offer Sponsorships that cover some of the fees associated with rentals. Any organization may request a sponsorship for an event. We ask that you submit in writing the following information in order to be considered for a sponsorship of fee reductions or waivers.

- 1) The name of the group or project and if you are a 501.c3, a political action group, or for-profit entity
- 2) Your current organizational budget or project budget
- 3) If your event is closed to the public or for profit
- 4) Please tell us in two or three sentences what you seek to accomplish and why you think it is important for the community.

St. George Community Church seeks to allow space for people to gather regardless of resources, as long as the gatherings are to create resilience in our community. As such, we will attempt to accommodate space for any working group that helps to further the mission of the United World Church Group.

We look forward to working with you!

All payments made to St. George Community Church. No cash accepted.
